**May 21, 2020 Order**

In addition, pursuant to the Court’s 11:37 AM non-document Order issued today requiring the Respondents to provide “an explanation of why Respondents have not yet received or reported test results for tests that were completed more than 48 hours ago”, Respondents state as follows:

- 1) Results of all Abbott tests performed since the Court’s May 14, 2020 Order are reported to the Court in Respondent’s daily Status Report; and
- 2) Results received from Quest Diagnostics are also reported to the Court daily in Respondents’ Status Report. BOP staff inquired regarding the results of the test swabs sent to Quest last week, Quest assured BOP staff that it is processing COVID tests 24 hours a day, 7 days a week in response to the pandemic and is providing the results as soon as possible to BOP staff. Quest also reported that due to the incredible volume of COVID tests it is processing, the BOP should now expect an approximate 7-day turnaround for the tests to be completed.

Respectfully submitted,
